

Year 5

Dear Parents & Carers,

Next week is the final one of this short term. We are all looking forward to our holidays now! Please remember that **school finishes at 1:30 next Friday**. We will be making and parading our Easter bonnets on that day, so if your child wishes to bring in some bits and pieces to decorate the hats that they will be making, they may do so next week.

Tuesday 2nd April will be the finale of our History topic – Greek Day. We have sent home some costume ideas and we are looking forward to seeing all those Ancient Greeks in class. We will have a parade in the morning and then we will be making food, doing some art and having our own mini Ancient Olympics as well.

The homework this week will be on fractions and it will be set by your teacher on Mathletics. Please login and have a go.

Have a lovely weekend.

Year 5 Team ☺

Homework Reminder

Homework – Maths

You will find some work set on Mathletics on Fractions for you to complete.

Spelling

This coming week the children will be tested on the whole spring list of spellings. A new summer word list will be produced early next term. This is a good time to be looking back over the autumn word list as well, to ensure those spellings have been retained. The complete Y5/Y6 word list can be found in your child's school diary. Do not forget that you should continue to revise the Y3/4 list. Your child may have been given an individual list of words to learn. If so, they should focus on these as a priority.
