

Year 5

Dear Parents & Carers,

This week we just wanted to share with you a couple of websites you can go to, which are ideal for supporting your child with their learning. First, your child has been given an individual username and password for LGfL (the London Grid for Learning) which they should have stuck in their diaries. This is a learning hub open to schools in the London area. The second is Espresso (you will find the login details below). We use aspects of both sites frequently in class and now they are available for you to explore at home with your child. They both have activities, games, video clips and fact books or information for all aspects of your child's learning.

As part of the transition into Year 6, we will be encouraging the children to be responsible for their own stationery. Please encourage your child to ensure that they bring their pencil case into school EVERY day. We would be grateful if you would top up the supplies of pencils and pens in their pencil cases over the holiday, but we will also be providing the children with the opportunity to purchase pencils, pen refills and whiteboard pens from school at cost price – more details to follow in the Summer Term.

We hope you all have a lovely holiday – don't eat too many hot cross buns!

Year 5 Team ☺

Homework Reminder

Homework

Please make sure you are reading every day – why not try a book from the Y5/Y6 100 Book Challenge? Keep practising your times tables (including division facts) and don't forget Athletics...

Spelling

A new summer word list will be produced early next term. This is a good time to be looking back over the autumn word list as well as the spring one, to ensure those spellings have been retained. The complete Y5/Y6 word list can be found in your child's school diary. Do not forget that you should continue to revise the Y3/4 list. Your child may have been given an individual list of words to learn. If so, they should focus on these as a priority.
