

## Year Two

---

Dear Parents and Carers,

We hope you had a lovely break. The children have returned back to school rested and excited to start our new topics! This term, we will be looking at The Great Fire of London for our history and in Science, we will be studying plants and having a go at growing our own cress!

---

### English

We have begun our work inspired by 'A Necklace of Raindrops'. We have been looking at descriptive writing and will be learning about personification, expanded noun phrases, adverbs and adjectives.

On Tuesday, children wrote a recount of their Easter holidays. It was lovely to read about the wonderful things they had been up to.

---

### Maths

This week, we have been looking at addition and subtraction of 2 digit numbers using a number line. Please continue to help your children at home with this method. Children have also used their number knowledge to solve word problems.

---

### Topic

This week, we started our Great Fire of London topic, thinking about what the children already knew and what they want to find out. We spoke about 1666 in London and the differences between then and now.

In Science, we began our work on Plants. We labelled a plant, looking at its different parts and learning some new terminology.

---

## Notices

- We have a Great Fire of London workshop on 3<sup>rd</sup> May.
- Please return the consent forms for the Bocketts Farm trip on 27<sup>th</sup> June ASAP.
- Thanks to those who have returned the Friends Forms for next academic year – for those who have not please do so as soon as possible.
- Please ensure your child brings a water bottle to school every day.
