

Year 4

Dear Parents & Carers,

It is lovely to have the children back after a restful Easter break. We can't believe it is Summer term already! Chestnut Class have already been on a short trip to the mosque this week. It was an informative and engaging start to our topic of Islam.

This week in English, we have started reading 'Cloud Tea Monkeys'. The children enjoyed being Roya Tea Tasters, sampling different teas to describe their aroma and taste.

In Maths, we have built on our knowledge of fractions and started work on Decimals. Our focus this week has been on tenths and how to represent them in different ways.

We have loved learning about Animal Habitats this week. We classified living things using a Carroll Diagram, identifying vertebrates and invertebrates.

Have a lovely weekend!

Year 4 Team 😊

Home Learning Reminder

Please ensure that children are practicing their spellings and times tables regularly during the week. Don't forget to keep reading 😊

This week we have sent home Maths homework on tenths! All children need to complete questions 1 2 and 3. For those children that would like an extra challenge, they can have a go at questions 4 and 5.

Date Reminders

Larch and Yew Class - Mosque Trip Monday 29th April

6th May Bank Holiday
