

Summer Term!

Welcome back! We hope that you had a lovely Easter break and that you and your children are ready for what promises to be a busy and fun Summer Term! If you have any questions about any of the information that you receive, please do not hesitate to ask a member of the nursery team.

Nursery Rhymes

We will be beginning our new topic of 'nursery rhymes' next week and we will be travelling down to the farm! Baa Baa Black Sheep, Five Little Ducks, Little Bo Peep and Old MacDonald will all be enjoyed during our first week.

Numbers and Counting

This week we have had many opportunities to count up to 10 and practise our number recognition. Can you recognise all of your numbers to 10? If you can, why not see if you can put them in the correct order if they are all muddled up! (number cards, post it notes or just cut pieces of paper are great for this activity. Start with 0-5 then move to 0-10 or 0-20 and beyond if your child is ready)

Daisy Class

Tapestry (Online learning journey)

There are still a number of parents who are not yet signed up for Tapestry. You will be able to see all the exciting things that the children are doing in Daisy Class. You should have received an email asking you to set up a login. If you have not received this please speak to Miss Roberts.

Spring and growing

We have continued our learning about Spring this week and have been exploring flowers. We have learnt about what plants need to grow and we made our own flower pictures using oil pastels, craft materials and tissue paper.

Hot Weather

As the weather is getting hotter and sunnier...please can you remember to bring in a named hat for children. Don't worry about water bottles as water is available all day in Daisy class for the children. Also please remember to apply sun cream before school!

Thank you!
