

This week's sounds

We have been continuing to revise our digraphs. - 'oa' for soap, 'igh' for might and 'ow' for cow.

Can you spot any of these sounds in your story books and/or reading books?

This week...

Poppy class and Sunflower class have been reading Jack and the Beanstalk whilst Bluebell class have continued learning about The Very Hungry Caterpillar as they were enjoying it so much!

All about bees

Next week (9th) Barry the beekeeper from Kingston Beekeepers Association will be visiting our Thursday assembly to tell us about the important work they do. **As they are a charity it would be lovely if your child could bring in a few coins to donate.**
Thank you in advance!

Weekly News 3rd May 2019

Poppy, Bluebell and
Sunflower Class

Forest Fun

We have some special visitors in our secret garden area. The children had the chance to see frogs and newts up close and personal!

Ask your child about it.

Maths

In maths this week we are continuing to learn about teen numbers. We have also been having a go at estimating how many objects are in a jar and then counting them to check.

Caterpillar watch

Each class now have ten little caterpillars. We will be watching them closely and observing this wonderful transformation and learning about the life cycle first hand.
