

Year One

Dear Parents and Carers,

Well done to Lavender class - Your assembly was great and we all really enjoyed it. Next Thursday Cornflower Class will have their class assembly at 9am. Thank you for helping your child with their home learning project (map) we were really impressed with what the children produced.

English

In English this week we have continued with the story of The Tin Forest. We have described the tin forest and the real forest using lots of lovely adjectives. We have started to re-tell the story in our words making sure we are using capital letters, full stops, adjectives and conjunctions.

Maths

This week in maths we have focused on arrays. We have grouped the arrays in rows and columns with the corresponding repeated addition. The children enjoyed making arrays using cotton buds and paint.

The children have also taken part in three 'Maths on the move' sessions as part of PE. The children went on a treasure hunt around the playground, counting pictures in 2,5 and 10s.

Topic

In **History** this week the children have created portraits of King Henry VIII in preparation for our upcoming visit to Hampton Court. Talking point: Why don't we have any photographs of King Henry VIII?

Science: Please remember to keep your bean diaries up to date.

Sports Day: Sports day will be on **Friday 24th May** at Dinton Field. The children will need to wear their house colour top:

Coombe - Blue, Kingston - Yellow, Hampton - Red and Richmond - Green.
