

Year Two

Dear Parents / Carers,

The children have had a brilliant week and have risen to all the challenges they have been given. We are all looking forward to Wellness Week starting on Monday and doing some extra outdoor learning.

English

This week, we imagined that we were living in the time of The Great Fire of London through role-play. We then wrote a recount as if we were an eyewitness to the fire, just like Samuel Pepys.

Maths

We have been learning about and reading different scales of measure on a variety of tools including measuring jugs, thermometers and weighing scale.

The children have also been continuing to practise their mental arithmetic using a variety of strategies.

Topic

In History, we learnt about eyewitness accounts and their reliability and the other ways we learn about events from the past.

In Science, we concluded our cress investigations and discussed whether our predictions were correct.

Notices

A reminder that it is Wellness Week next week so children need to come to school in their PE kits everyday- please no football kits. For sports day the children need to wear a t-shirt of their house colour. If you need to check your child's house please ask their class teacher.
