

Year Two

Dear Parents / Carers,

Welcome to Summer term 2! We cannot believe we are in our final half term and we hope the children have enjoyed Year 2 so far. We look forward to continuing our learning and preparing them for KS2 for the remainder of the year. We hope everyone had a lovely and restful half term break and have returned to school refreshed, rejuvenated and ready to learn.

English

This week, we have been looking at Lemony Snicket's 'The Dark'. We have been studying the features of a poem and discussing what makes a poem different from a story. Children have been focusing on rhyming words and performance poetry, considering tone, volume and intonation. We have been impressed with their performances!

Maths

In Maths, children have really enjoyed collecting and showing data in the form of tallies, pictograms and bar charts. On Monday, children recorded the flow of traffic on the Richmond Road, counting either the colour of different vehicles that passed or the type of vehicle. The children presented this information in a bar chart.

History

We have been completing our history unit this week and have been designing, building and painting Tudor Houses. Thank you for the donations of cereal boxes!
