

Year 4

Dear Parents & Carers,

We hope that you had an enjoyable half-term! It's great to have the children back.

This first week back was kick started with a new book in English called 'How to Live Forever'. The children have been exploring the book through drama, debating and drawing.

In Maths, we have been exploring money. We have been learning how to order and compare amounts, round and estimate values and convert pounds to pence. Children have been applying their knowledge of decimals to support their learning.

We have all enjoyed Science this week! Our new topic is 'Sound'. We learned that sound is caused by vibrations through an interesting investigation involving drums and lots of rice!

Enjoy your weekend!

Year 4 Team ☺

Home Learning Reminder

Remember to practice your spellings, times-tables and reading

☺ Take the time log into Mathletics to rehearse any of the topics that we have covered this year.

Date Reminders

Saturday 15th June

Summer Fair

4th-5th July

Thames Young Mariners

Announcements

Class photos will be next

Monday and Tuesday (10th and 11th). Please ensure your child has the correct uniform.

Please don't forget to complete the Parent Survey. The year group with the highest number of responses will be treated to their very own special mufti day!
