

Year 5

Dear Parents & Carers,

Welcome back to the last half term of Year 5!

The children have been really resilient this week as we have been doing some assessments in English and Maths. Well done everyone!

We had a lovely assembly on Thursday following up on our residential trip to Kingswood. The children were all awarded certificates for the activities at which they excelled or stood out in terms of effort or empathy. Prizes were also awarded for the best kept rooms and the children who were brilliant role models and demonstrated the Fern Hill 6Rs throughout the week.

We have begun MicroSociety in earnest and the children are getting very excited about their business ideas.

We would like a couple of parent helpers for the multi-sports afternoon. If your child has been invited, then you will have received a letter on Friday. Please let your teacher know if you can help. Thanks.
