

# Lifeboats

## RNLI

As part of our under the sea focus, Reception had a visit from Jon and John who volunteer for the RNLI and are based at Teddington.

The children enjoyed their talk and listened really well to all the information. The children had some brilliant questions and took on board top tips on how to stay safe around water.

## This Week

This week we have been using information books about 'Under the Sea' animals. What have had a go at writing our own 'What am I?' riddles for our friends to guess which animal we are talking about.

## This week's sounds

We have been revising our digraph sounds and will be continuing to do this over the next few weeks. Have a look at the sound mats in your reading diaries, can you spot these sounds in the books that you read?

## Maths

We have continued to look at the book '1 is a snail 10 is a crab,' which focuses on counting. We have focused on adding two groups together to find the total.

## Weekly News

14th June 2019

Poppy, Bluebell and  
Sunflower Class

## Assemblies

Well done to Poppy Class on their 'Creepy Crawlies' assembly. All the children did amazingly well.

Bluebell Class assembly is next Thursday 20th June at 9am.

## Summer fair!

We hope you know already but just a reminder about Fern Hill summer fair which is tomorrow! Please come along to enjoy the fun with us!
