

## Year Two

---

Dear Parents / Carers,

The children have now fully settled back in after the break and are looking forward to the Summer Fair on Saturday.

As part of their preparations for Year 3 we have mixed the children for a few sessions this week. This has given them an opportunity to get to know and make friends with children from other classes. The children will remain in the usual classes next week.

---

### English

This week, we have introduced our new text Anna Hibiscus by Atinuke. The children created beautiful watercolour pictures from a description of an African city. This generated fantastic descriptive writing in the first person. Next week the children will be writing about their own local area.

---

### Maths

In Maths, we started the week looking at sequences and patterns. We then recapped time – quarter to and quarter past and different intervals of time. Does your child know how many days/months there in the year etc?

---

### Topic

We have begun our new Geography topic comparing the United Kingdom to Africa in particular Kenya. The children have enjoyed looking at atlases and locating different places and countries.

---

## Notices

---

Don't forget to fill in the parent survey – Year 2 could win an extra special Mufti day! You can access the survey via this link: <https://forms.gle/C1GywLn8Rx9QudnE7>

We are introducing a new home learning initiative. Please have a look at our Home Learning Grid on our year group page of the school website: <https://www.fernhill.kingston.sch.uk/year2>

Please do remember to return your child's PE kit as they are needed for weekly PE lessons.
