

## Year 4

---

Dear Parents & Carers,

This week has been assessment week for Year 4. We are so pleased with how hard they have worked! They have shown responsibility and resilience in all their tests.

In English, the children have been analyzing a model text to then write their own descriptive piece of writing based on 'How to Live Forever'. We are focusing on using a variety of sentence starters, expanded noun phrases and high-quality vocabulary.

In Maths, we have been looking at angles and symmetry. The children had a chance to investigate lines of symmetry of shapes presented in different orientations.

In Geography, we have been learning about Italy. This week consisted of looking at different landmarks in Italy and comparing these to those in the UK.

Enjoy your weekend! It would be great to see some of you at the Summer Fair on Saturday!

### Home Learning Reminder

Remember to practice your spellings, times-tables and reading ☺

We will be setting Mathletics this week. Please ensure this is completed by Wednesday.

We have launched a new home learning initiative! Year 4's Home Learning Grid is posted on our year group page on the school website here:
