

Year 5

Dear Parents & Carers,

Well done to those children who attended the Multi-sports Day this week. They had a great time and had a chance to play 10 different sports throughout the afternoon, led brilliantly by the TKA Y8 students. Sadly, only 38 children took part out of the 50 who were offered places. Perhaps next time, following the success of this event, we will have more children who are keen to get involved.

Well done also to the Y5 cricket team who represented the school in a tournament earlier this week. They came back evens – won one, lost one!

Every class has now completed their summer DT project and we have all successfully created a moving toy. The children were very resilient and worked extremely hard on their cam mechanisms and the cardboard frames, which they have decorated beautifully.

The Y6 team would like to remind the children that they will need to bring their own stationery resources to class every day in Y6. The new stock of pencil cases and replacement equipment will be available soon. However, in the meantime, there are still some pencil case sets available from this year's stock at a very reasonable £9.60. Please let your teacher know if you would like one.
