

Year 4

Dear Parents & Carers,

In English this week, the children have completed some shared writing. This consisted of a descriptive paragraph and writing using direct speech based on the book of *'How to Live Forever'*. We have also started reading *'The Miraculous Journey of Edward Tulane'* by Kate Dicamillo, as this will be our new English topic.

In Maths, we have been learning about 2D shapes and their properties. The focus has been on identifying angles within a shape, and drawing them with accuracy.

In Science, we have loved experimenting with string telephones and musical instruments to investigate sound and how it travels.

Thank you to the parents who came along to our Thames Young Mariners briefing. All of the information is on the school website.

Year 4 Team ☺

Date Reminders

28th June

Italian Day

4th-5th July

Thames Young Mariners

Announcements

Italian Day

For Italian Day next week, the children are able to dress up as something Italian related!

Home Learning Reminder

Remember to practice your spellings, times-tables and reading
☺

We will be setting Mathletics this week. Please ensure this is completed by Wednesday.

We have launched a new home learning initiative! Year 4's Home Learning Grid is posted on our year group page on the school website here:
