

## Year Two

---

Dear Parents and Carers,

We had a wonderful and informative time on our trip to Bocketts Farm yesterday. The children thoroughly enjoyed the tractor ride, feeding the animals and, of course, the famous pig race!

---

### English

This week, we have continued our learning inspired by Anna Hisbiscus by Atinuke. We read the rest of the story and learnt how much Anna loved snow. We wrote a letter, using conversational phrases to her Granny in Canada about a possible trip in the Winter. We then composed questions, which we are going to include in an email next week.

---

### Maths

In Maths, we have revised addition and subtraction using number lines and we practiced adding and subtracting 2 and 3 numbers. We then moved on to tackling word problems, which involved determining whether we needed to add or subtract the numbers based on the vocabulary.

---

### Topic

In Science, we looked at naming the parents and offspring of animals in preparation for our trip to the farm.

In Geography, we have been comparing Kenya with our local area. We have been identifying the physical and human features.

---

## Notices

---

**DT Project:** The children are going to design and make a vehicle with moving axels and wheels (which we will provide). Please could you start collecting small items that could be used to decorate them? For example: bottle tops, tin foil cake cases, corks, small fromage frais pots, straws etc.

**Reminder: The Year 2 Summer Concert takes place on Tuesday 9<sup>th</sup> July at 9.15am.**

Your child's Maths and English books were sent home today. Please sign and return them on Monday 1<sup>st</sup> July. Thank You.
