

This week's Maths

We have been looking at doubling, halving and sharing. The children have done this practically using counters, bricks, pirate coins and fingers.

This Week

We have been reading the story 'The Night Pirates' and have been writing character descriptions using adjectives, e.g. the pirate has a fluffy beard. The children have had great fun making pirate props!

Next Week...

The children will be meeting their new teacher on Friday 12th and becoming familiar with their new classroom.

Weekly News 5th July 2019

Poppy, Bluebell and Sunflower Class

Farm Visit

We are looking forward to our visit from Millers Ark Farm on Wednesday. They will be based in Daisy class and each class will get a 1 hour slot. What animals do you think they will bring?

Cake sale

The children have enjoyed playing with the new tennis set which we bought from our cake sale money. We have been inspired this week by Wimbledon and we can see some future tennis players. We have spent our latest cake sale money on some magnetic letters and boards.

Summer Concerts

Our Summer Concert is on 11th July at 9.15am. We hope to see you there if you can make it. Children can come in wearing their class coloured clothes and remain in these for the rest of the day. If you are not sure of the colours, please check with your class teacher.
