

## Year Two

---

Dear Parents and Carers,

It has been a very busy week with final rehearsals for the end of year concert on **Tuesday 9<sup>th</sup> July at 9.15am**. All children need to wear school uniform for the concert please.

In preparation for the move to KS2 and Year 3, the children were introduced to their Year 3 buddy this week. They had an opportunity to chat in class and then the Year 3s escorted them to the juniors' playground for morning break on Thursday and Friday.

---

### English

This week, we have continued our learning inspired by Anna Hisbiscus by Atinuke. We enjoyed composing our email to Anna's Granny in Canada and next week we will be typing our email on the computer.

---

### Maths

In Maths, we have revised multiplication and division using arrays. We then moved on to tackling word problems, which involved determining whether we needed to multiply or divide the numbers based on the vocabulary.

---

### Topic

In Science, we learnt about the lifecycle of a butterfly and looked at key vocabulary such as metamorphosis and chrysalis.

---

### Notices

**DT Project:** The children are going to design and make their vehicles on Wednesday and Thursday. Please send in any small modelling items that you have collected (e.g. bottle tops, tin foil cake cases, corks, small fromage frais pots, straws etc.) by Wednesday.

***We still have many children who do not have a water bottle in school – please ensure they bring one in every day. Thank you.***
