

Year 5

Dear Parents & Carers,

This week we have had a visit from Y4 for MicroSociety. It went very well, but it has given the children lots to think about ahead of the visit from you on the 11th July! We hope as many of you as possible can join us for that next week. **PLEASE NOTE THAT THE ASSEMBLY WILL START AT 2:00PM**, not 2:30pm as previously stated on last week's newsletter.

On Thursday, we had a trip to Kidzania at Westfield. This was excellent preparation for running our own businesses in MicroSociety and everyone had a brilliant time. Thank you to those parents who accompanied us. We could not have done it without you.

It has come to our attention that some Y5 children are playing with walkie-talkies in and around the school. Please ensure that these are NOT brought into school at any time. They should never be used to communicate with a child **during** the school day. Moreover, the school's walkie-talkies are using the same frequency and picking up their conversations! Our walkie-talkies are in constant use, particularly by office and premises staff, and are used throughout the school to communicate in situations involving the safety of our children, for example during incidents such as fire drills and evacuations. We have spoken to our classes regarding this issue. We would be grateful for your support to sort it out. Thank you.

We will be baking next week and we would be grateful if some of you could lend us muffin trays and large plastic mixing bowls.

Every child should bring in a sturdy, named plastic bag on Monday, which they should keep in their lockers. This will allow us to start sorting out artwork and sending books and things home.

Thank you.
