

This week's sounds

We have been revising all the sounds and blends we have learnt this year, and applying them in our writing to get ready for Year One!

Next Week...

... is our final week at school this year! We will miss the children so much! Please remember that on Friday we will dismiss early at **1.30pm**. Friday is also a Mufti (non-uniform) Day.

Maths

This week we have been looking at 2D and 3D shape. We have been describing them using mathematical language such as faces, sides, edges, corners and vertices.

Weekly News 12th July 2019

Poppy, Bluebell and
Sunflower Class

Literacy

We have been writing about farm animals and our favourite Forest Fun moments.

We have been writing stories for our new Year 1 teachers.

You should have received your child's reports yesterday. We love feedback so please let us know what you think of the report (and the year) using the form in the envelope. Thanks!

Summer Concert

Wow! Didn't the children perform brilliantly at our Summer Concert on Thursday? We are so proud of their efforts. Thanks for all your support with the costumes and singing with them.

Farm visit

The children really enjoyed our visit from the mobile farm. They met goats, pigs, geese, ducks, ducklings chickens and 2 donkeys. The children were very kind towards the animals. What a lovely summer treat!
