

Year One

Dear Parents and Carers,

We were so proud of the Y1's and their excellent singing in the Summer Concert. They had a great time and we hope you did too! We are so proud of all they have achieved this year and know they'll continue to do well in Year Two.

English

In **English** this week we have finished reading; Tinga Tales How Elephant Got his Trunk. We have created our own version of the story explaining how Elephant got his long trunk. We came up with some very imaginative ideas! You can watch other Tinga tale stories on Cbeebies and You Tube. *How about making up your own Tinga Tale? What could the title be?*

Maths

In **Maths** this week we have practiced the days of the week and months of the year. We have ordered the months of the year and made paper chains. We have been telling the time to o'clock. We have played lots of fun games and learnt the song 'Hip Hop around the clock' by Jack Hartman on you tube. *I went to the party at 2 o'clock and stayed for 2 hours. What did I leave? Can you come up with your own time question? Tell you parents how you can tell which hand is the hour and which is the minute hand. How many minutes are in an hour? How many hours in a day?*

This afternoon the children visited their new Year Two classroom and teacher. They were very excited and had a fun time. *What can they tell you about their new class and teacher?*

Returning books

Please makes sure all library books and reading books are returned to school on Monday so we can collect them in for the summer.

We still need helpers for the library visit on Tuesday morning. If you are free please speak to your class rep or let us know.

Thank you so much to all our parent helpers who have helped us this year – you've been a big help.
