

## Year 4

Dear Parents & Carers,

We had a fantastic trip last week at Thames Young Mariners! The children really got involved with all the activities, showing courage and enthusiasm! It was great fun.

We enjoyed Italian Day this week! Children made bruschetta, learning about the history of it. They used Chromebooks to research a city in Italy of their choice presenting as a poster. We also appreciated some Neapolitan ice-cream outside ☺

In Maths, we have been learning about time. Some children will have been working with other Year 4 teachers. The focus has been on telling the time, converting analogue to digital and solving word problems.

We would like to say a huge thank you to parent helpers, readers, class reps and anyone else that has helped out this year for all your support! We really appreciate the time you have given us.

On **Friday 19<sup>th</sup> July**, children are able to bring in a board game from home to play – no electronics.

Have a fantastic weekend!

Year 4 Team ☺

### Home Learning Reminder

Remember to practice your spellings, times-tables and reading ☺

We will be setting Mathletics this week. Children should complete activities based on what we have been learning.

### Date Reminders

#### 19<sup>th</sup> July

School closes at 1:30 for summer

### Announcements

#### Thank you

Many thanks for all the money you raised through the cake sales. You will be pleased to know that this money was spent on making sure that the children had plenty of snacks at Thames Young Mariners. We have also been able to buy cooking ingredients for Italian Day.

#### Bags

We please ask that children bring in a bag on **Thursday 18<sup>th</sup> July** so that they can take their arts, crafts and anything else home.
