

### Our focus this week:

We have been settling in and getting to know each other this week and have really enjoyed forming new friendships. We have enjoyed finding our way around the classroom and getting used to our new environment. We are so proud of both Daisy AM and PM for being so amazing and settling so brilliantly!

### Next Week

We will continue to gradually introduce the children to the Daisy Class routines. Please encourage your child to put their book bag in their coloured box, their coat on their peg and to self register with their coloured daisy.

### Question of the week!

What did you enjoy the most in Daisy Class this week?

Reminders: *Stories, songs, fruit time, trikes, playdough, painting, building, trains, drawing cars, singing and dancing, dinosaurs, animals, babies, water, sand, climbing*
