

Next week we will be talking about our families and celebrations. Please could you bring in a family photo for your child to share with the class? Please let us know if you are not happy for us to display these photos.

### Pick up and drop off

A big well done to the children who have been brave enough to say good bye to their carers at the gate. It may take a bit longer for some children which is fine :)

Thank you for using the correct class gate and ensuring siblings are not playing with equipment.

### Next week:

Next week we will be starting to learn our sounds! Each day will be themed around a sound and we will learn a song to help us remember. We follow the Jolly Phonics songs which can be found on YouTube for you to sing at home!

### Our focus this week was:

We are playing a range of phonics games, some with a focus on rhyme, eg. cat, bat. Can you find any rhyming pairs around the house? What about sock and lock?

## Weekly News 27th September 2019 Poppy, Bluebell and Sunflower Class

### Thank You

Thank you to those of you who came to the Welcome Meeting yesterday. The presentation is now available on the school website - go to 'Year groups' and then 'Reception'. The Curriculum Learning Map and Sparkle Moments template is also posted there.

### Further Information:

This week your child will come home with their Home/School Learning diary. Please have a look through this to familiarise yourselves with it. Please leave these in book bags as we will need them throughout the week.

### Maths

In Reception we are learning about the value of numbers.

This week we have been exploring number one. We have been exploring number one in lots of different ways. For example 1p, £1, 1m, 1cm, 1kg, 1 o'clock.

The children are loving the creative area and we are short of supplies. Please can you kindly donate any clean recyclable materials? Thank you.
