

Year One

Dear Parents and Carers

We have had another busy week in Year 1. Foxglove class had their Forest Fun session on Thursday and thoroughly enjoyed being outside and creating mud faces. Cornflower Class are having their session next Thursday (a letter has been sent to Cornflower Class parents via parent pay).

Maths

This week we have been comparing objects and numbers using 'less than', 'greater than' and 'equal to'. The children were introduced to the new inequality signs and have practically shown their understanding.

Less than

Greater than

Equal to

English

We have started our new book this week 'Funnybones Mystery Tour' by Janet and Allan Ahlberg. The children have all created a story map of the mystery tour the skeletons went on. We have also introduced the children to adjectives and they have had a go at extending their sentences by including them.

Talking Point: Can you remember what an adjective is? Can you use any in a sentence?

Art In art this week the children have created a skeleton using art straws, they were careful to ensure their skeletons had two arms, two legs, hips, spine and skull! We were so impressed with what the children produced.

Phonics ch, sh, th, ng
