

Year One

Dear Parents and Carers

We have had another busy week in Year 1. Cornflower class had their Forest Fun session on Thursday and thoroughly enjoyed being outside and creating mud faces. Thank you for providing wellies and waterproofs!

Reminder; Monday and Tuesday next week are pupil photographs.

Maths

This week in Maths we have been ordering numbers using the vocabulary, first, second, third, then and last. We built towers using cubes and wrote about the order we had built them in (e.g first is a red cube, second is a blue cube etc). Following this we moved onto ordering numbers on a number line. We discussed what side the numbers should be on as well as using equal intervals on a blank number line.

English

In English this week we have continued with the book Funny bones Mystery tour. The children started the week going on their own school mystery tour which they all found very exciting! They have then written some beautiful sentences using some lovely adjectives!

Phonics: ay, ai, a_e, long oo, ar.

Notices

We are going to be learning about family trees with the children in the coming weeks. Please could you discuss your family tree (grandparents, great grandparents) with your child to prepare them for the lesson. Thank you.

The children have all been given their Mathematics logins this week – We have stuck them in the front of their home school diaries.

A letter was sent to you this week regarding trips out this term. Please could you make your voluntary contribution by the 15th October. Thank you.
