

### Our focus this week

We have started our new topic 'All About Me' We have been thinking about ourselves and our feelings. We talked about emotions and how a face can show feelings. We looked in the mirror and had a go at drawing our own faces. Can you remember some of the feelings that we talked about?

### Next week

We will be exploring Autumn and our senses of sight, sound and smell. We will be going on a learning walk around the school to find out what we can see and hear. We will be smelling different things, talking about likes and dislikes and will have a variety of scented playdough to explore. We will also be getting creative with some fun Autumn craft activities.

### Parent consultations NEXT WEEK

### Reminders

We are still waiting on some photographs of adults who will be collecting your children. It **is really important** that we have photos of **every adult** that will collect.

### Sparkle Moments

This week we celebrated our first Sparkle Moments and it was so exciting! The children loved sharing their achievements together!

Sparkle Moments will be shared every Wednesday, so make sure these are in our special sparkle boxes by Wednesday!

### Home Learning

We have really enjoyed learning about ourselves in our topic 'All About Me!'. We would love it if you could **make a poster together 'All About Me!'** It can include pictures from birth to now, pictures of favourite things or anything else you would like to include! We will share these together in class and make a display in the classroom too!
