

Year One

Dear Parents and Carers

We have had another busy week in Cornflower Class. All the children have had their photographs taken this week. Lavender class had fun in their second forest fun session on Thursday. Foxglove's next session is on Tuesday 15th October
Cornflower's next session is on Tuesday 22nd October

Maths

This week the children have been introduced to the part whole model. We use to find number bonds of any number by adding the two parts together to find the whole. The children have used objects and numbers to explore this. Then we moved onto write a number sum for the part whole model.

9 is the whole, 4 and 5 are the parts.
 $4 + 5 = 9$, $5 + 4 = 9$, $9 = 4 + 5$ and $9 = 5 + 4$

English

On Monday the children came in to a tray of gingerbread crumbs left in the classroom! The children had fun thinking about how this could have possibly got there! Mr. Scott was the prime suspect! This was the start of our new story the gingerbread man. We then moved onto creating actions to remember the story.

Talking Point: Can you remember the actions? Can you show your family?

Phonics: ay/ai, ou/ow, ee/ea, ie/igh

Notices

Parents evening is next Wednesday and Thursday, the system is now open to book your time slot if you have not already done so. Remember school finishes at 2.00pm on Thursday.

Please could we have boxes of tissues, we have run out in Year 1. Thank you!

Please could you ensure your child has tracksuit bottoms, jumper/jacket and socks for outdoor PE, especially as the weather gets colder.
