

Tapestry

The Tapestry accounts for your children are now up and running and observations are being added regularly so make sure to check and see the exciting things that they have been up to in Daisy Class! Don't forget that you can add your own observations too! If you are having any problems accessing your account please speak to Mrs Channing.

Our focus this week

We have explored Autumn and our senses. We collected fallen leaves from the outside area and looked at the different colours. We talked about our senses and what we could smell and the scents that we liked and disliked. We enjoyed playing with the scented playdough too, especially the chocolate smell and mint smell!

Parent Helpers

If you are interested in joining us in Daisy Class as a parent helper we would love to hear from you! There will be a sign up sheet available on Monday. Please let us know if you can help and which day/days you are available!

Also, if you are available to help us at snack time each day please speak to the Daisy Team for more info!

Daisy Class

Learning Walk

This week we took a learning walk around the school (inside and outside) to notice all the different things that we could see and hear. Can you remember some of the things that we saw and heard? (We particularly enjoyed seeing the big playgrounds where lots of our big brothers and sisters play!)

Parent consultations

Thank you so much for your positive feedback during the consultations this week. It was lovely to see you all again and have the chance to chat about how well your children have settled. Thank you for your support and positivity!

Home Learning

Don't forget our home learning challenge. We would love it if you could **make a poster together 'All About Me!'** It can include pictures from birth to now, pictures of favourite things or anything else you would like to include! Please bring these in as soon as they are complete for us to add to our fantastic learning display!
