

Requests

Do keep all your boxes and containers because we love to use them for junk modelling.

Further Information:

We will be ending our 'Where the Wild Things Are' unit with a wild rumpus! Children are invited to come to school that day in their pyjamas or a wild thing outfit on Thursday 24th October.

Parent Consultations:

Thank you for joining us to discuss your child's learning during parent consultations this week. It was lovely to be able to speak to you all about your lovely children!

Phonics

Our sounds this week were 'i' for igloo, 'n' for necklace, 'm' for mirror and 'd' for dinosaur.

We are beginning to encourage the children to blend (word-build) with the sounds we've learnt so far.

eg. d-i-n = din

m-a-p = map

Our focus this week:

We have continued to base our learning around the story of 'Where the Wild Things Are.' We have had a wild rumpus, made wild things masks and wrote names for all the characters.

Week ending 18/10/19

Poppy, Bluebell and
Sunflower Class

Maths:

We have been focussing on number four this week. We have made four in a variety of ways using money, numicon, fingers and objects.

We have made number sentences using objects. Eg. 3 conkers + 1 conker = 4.

Reading:

We are having fun reading with your children and hope you are enjoying it at home too!

Please remember to make a comment in the diary when you read with your child. We love to hear how they are getting on! Please ensure books and diaries are kept in their book bags at all times

Bluebell Parents:

Mrs Manzambi will be the Bluebell teacher with Mrs Virgo after half term. She will be visiting next week and getting to know your children. Mrs West will still continue to work in Bluebell once a week.
