

Celebrations

After half term we will begin our new topic of Celebrations! We will kick start our topic by talking about the different things that we celebrate in our families. Please bring in a photograph of a special family celebration for your child to share together with the class. We would love to add these to a display if possible!

Half term challenge!

Your challenge is to have a wonderful half term! Get outside and enjoy an Autumn walk! Please look out for signs of Autumn and perhaps collect some conkers or pine cones to bring in next half term! Have a fantastic break!

Home Learning

Don't forget our home learning challenge. We would love it if you could make a poster together 'All About Me!'

It can include pictures from birth to now, pictures of favourite things or anything else you would like to include! Please bring these in after half term to add to our fantastic learning display!
