

Phonics

Our sounds this week were 'g' for goat, 'o' for orange, 'c' for can and 'k' for king.

We are beginning to encourage the children to blend (word-build) with the sounds we've learnt.

eg. d-o-g = dog

We have enjoyed the topic of 'ourselves' and learning all about your children.

After half term:

We will be starting off the half term learning about **Space!** Have a chat about Space and see what you can find out to share with the class. Show and tell will be related to space after half term.

Our focus this week:

We have been finishing of the half term with more activities relating to 'Where the Wild Things Are.' The children really enjoyed the Wild rumpus and looked fabulous in their outfits!

Week ending 24/10/19

Poppy, Bluebell and
Sunflower Class

Parent Consultations:

Thank you for joining us to discuss your child's learning during parent consultations last week. It was lovely to be able to speak to you all about your lovely children!

Maths:

We have been focussing on number 5 this week. We have been using numicon to find different ways to make 5. Eg. 3+2, 4+1, 0+5.

Can your child teach you any ways to make 5?

Further Information:

Thursday 14th November at approx 9.10 is our phonics workshop. We will start of with a small presentation in the hall. You will get the opportunity to participate with phonics activities in your child's classroom!

Reading books

Please remember to put your children's reading records, books and word wallets in their book bags. In order for us to give your child the appropriate level book, it is vital that all children return previous books.

Reminders:

Forest fun will be starting week commencing 11th November – Children will need wellies and waterproofs.
Thursday 5th December – Theatre trip
Thursday 10th December – Christmas concert
