

Year One

Dear Parents and Carers,

What a great first half term we've all had in Year One. We hope you and the children have a lovely break.

Maths

In maths this week we have continued to practice our number bonds and recalling them really quickly. How many number bonds to 10 can you remember? Watch Jack Hartman on YouTube for lots of fun maths songs. We have been on a number bond hunt and created number bond rainbows. We have compared different numberbonds using $<$ $>$ $=$ symbols.

English

In English this week we have continued writing our Gingerbread Man story and some of us have had a go at writing our own ending to the story.

Topic

In Science this week we decorated our own Gingerbread Men and ate them! We used all our senses to describe them.

In History this week we have made our own family tree and thought about who is in our family.

Phonics: wh. ph, ew

No Deputy
Headteacher's
Awards this week
– back after half
term!

Notices

Over the holidays, please ensure PE kits are washed and returned. Please remember to label all items of clothing and include socks. With the weather turning colder, all children should have jogging bottoms and a sweatshirt or jacket in their PE kit.
