

Year Two

Dear Parents and Carers,

The children have worked really hard this half term and we hope that they and you have a relaxing half term break. Thank you for all your support so far this term.

English & Maths

In English, we completed our work based on our latest text, The Lighthouse Keeper's Lunch by Ronda & David Armitage. We have written letters this week in character as Mr Grinling and have been explaining to his brother how he has been losing his lunch. The children did really well incorporating high quality vocabulary and using conversational language throughout their letters.

In Maths, we have been continuing to use our number bond knowledge to 10 and 20 to solve addition and subtraction calculations. We have focused this week on subtracting using a number line. After half term we will be working with money including coin and note recognition, making amounts and comparing them.

Topic

In Topic, we looked at human and physical features and discussed the differences between towns, the countryside and the seaside. Sandwich making proved to be very popular and the children used their first-hand experience to write instructions so that Mr Grinling can make his own sandwiches!

Cube Jar Treat!

The children enjoyed their afternoon playing games with friends and sharing toys. Much fun was had by all!

Notices

Next half term our topic is Polar Adventures and we will be looking at the life of Captain Scott. Please encourage your children to read up over the half term about these topics if they wish.

Upcoming dates:

Children return to school on Wednesday 6th of November

Deputy Headteacher's Award

No awards this week – we'll be presenting them after half term during the first week back.
