

## Year 4

Dear Parents & Carers,

We have had a fun-filled week rounding off the Stone Age. We have created some Stone Henge posters and made some fantastic woolly mammoths from milk cartons!

In English we have completed our shared writing on our graphic novel, Ug. We will be doing some independent writing when we return back to school.

In Science we had lots of fun looking how materials can change state by melting and cooling chocolate. Of course we got to taste the end result too!

In RE we looked at the Hindu creation story and looked at how Hindus see their different gods.

Have a lovely weekend.

Year 4 Team ☺

### Date Reminders

Tuesday 19<sup>th</sup>

November – Flu immunisations (nasal spray).

26<sup>th</sup> & 27<sup>th</sup> November – Pizza Express trips

### Announcements

Remember that the children return back to school on **Wednesday 6<sup>th</sup> November 2019**

### Homework Reminder

Please have a look at Mathletics and finish off any of the work that has been set. This term we have mainly looked at Place Value, Rounding, Column Addition and Subtraction so anything that will cover these will help your child to consolidate their learning.

The new home learning grids will be available online over half term. Please take the time to have a look.
