

Year One

Dear Parents,

We hope you had a lovely extended half term break. Although it's been a short week we have been really busy! Next week is Maths Week, please sign up to come and see your child in action on Tuesday 12th November! It is also Children in Need on Friday 15th November – children are invited to come in dressed in yellow clothing. Year 6 will be on the gates in the morning so you can make a donation.

Maths

This week in maths we have continued to learn about addition by listening to addition stories and using the counters to show our understanding. We have learnt how to add two amounts together, adding more to one amount and adding on a numberline.

Math's words of the week: Augend and Addend*.

*If you are unsure what these words mean please refer to the Fern Hill Maths Glossary on the Fern Hill website.

English

In English this week we have used our senses to write poetry about Autumn and Fireworks. We were really impressed with the ideas the children came up with. Can you find a poem you like at home and bring it in to share with the class?

Art

In Art this week we have started to look at the artist Andy Goldsworthy. We have explored some of the sculptures that he created and used water colours to recreate them. The children have also produced some fantastic firework pictures using pastels.

Phonics: air, ear

Notices

PE Kits: Please ensure your child has bought their PE kits back into school. As the weather is getting colder it is imperative that your child has their full PE kit - jogging bottoms/leggings, t-shirt, hoody, socks and trainers for outdoor PE and black shorts and white t-shirt for indoor PE. Thank you.

Show and Tell: We will not be having a designated show and tell slot like we did last term. However, we are always happy to see any learning the children have been doing at home on an ad hoc basis. Please do not allow your child to bring any toys in as they will not be allowed to show them. Thank you.

Home Learning: The Home Learning Grid for this half term is now available on the Fern Hill website.
