

Year Two

Dear Parents and Carers,

Welcome back, we hope you had a wonderful and rested half term. Please can you bring back your child's PE kit and make sure it's named. Please also ensure they have suitable kit for both indoor and outdoor activities in their bag.

English

This week we have started to look at the story 'Lost and Found'. We have acted out the beginning, middle and end and have looked at the different vocabulary in the story by finding the adjectives and conjunctions.

Maths

In Mathematics, we have been begun our learning on money. We have ordered the value of coins and practiced counting coins and comparing amounts. Next week we will be looking at counting larger coins and notes.

Topic

We enjoyed Outdoor Learning Day on Thursday taking both our phonics and topic lessons outdoors. In phonics, the children had to go on a sound hunt. As part of the introduction to our topic this term we did a treasure hunt to find out who we would be learning about and played some games about the continents.

Notices

A reminder now we are back to school: please ensure hair is tied back and no jewellery or nail varnish should be worn in school. Thank you.

Please have a look in your child's book bag for a letter about phonics and your child's spellings.
