

### Celebrations

This week during our new Celebration topic the children have really enjoyed thinking about the different things that can be celebrated and many ways to celebrate (balloons and cake are a favourite!) Don't forget to bring in your celebration photos, we have displayed those received so far in Daisy Class.

### IMPORTANT

The Daisy AM & PM Christmas concert times have changed! The concerts will still be taking place on **Monday 9th December** but the **AM concert has moved to 9am** (straight after AM drop off) and the **PM concert has moved to 2:30pm** (before PM pick up) Sorry for any inconvenience!

### PE

Daisy Class (AM and PM) have PE in the small hall each Monday. We remove our shoes and socks for PE and we encourage the children to be as independent as possible. Please make sure your child is in shoes that they can manage themselves.  
**No tights on a Monday please.**

Daisy Class

### Teddy Tennis

This week we started our first Teddy Tennis session. We were very excited but we did fantastic listening. It was so much fun learning tennis skills and playing fun games. We can't wait for more Friday tennis fun!

### Outside Play

We go outside in most weather and change into wellies if it is wet/muddy. Please provide a pair of wellies if required. We have a number of spare pairs but sadly not enough for all. It is a great time for your child to have a go at putting their own coat on! We have been practising using the Daisy Class magic coat trick, ask your child to show you!  
(Lay coat on floor with inside arm holes showing, stand at top of hood, put arms in arm holes, flip over head like a cape!)

### Patterns

This week we explored the exciting world of patterns! Some of us had a go at making repeating patterns in many different ways. We used paints, unifix cubes, sorting bears and connecting elephants! See if you can spot a repeating pattern when you are out and about or maybe have a go at making one yourself! (We used two alternating colours. You could extend your child by using three colours)
