

### Shapes

Can you remember some of the shapes we looked at? (circle, square, triangle, rectangle, oval, star...and our tricky shapes hexagon, pentagon, octagon!)

We went on a shape hunt to find shapes in the Daisy classroom and garden and made our own pictures using shapes.

### Christmas Concert

This week we have started to learn a few songs that we will be singing in our Christmas concert. Both AM and PM classes were fantastically quick learners and have done some excellent singing of these brand new songs. Well Done Amazing Daisies!

9th December - 9:00am & 2:30pm

### Number of the Week

Each week we will be learning about a 'Number of the Week'! This week we explored **Number 1**! The numberblocks are helping us to learn about numbers and we have thought about all the things we have just 1 of...1 nose, 1 mouth, 1 chin, 1 head and the different ways to represent the number 1!

### Reminders

- Please ensure that you have provided your contact information to your class reps (AM and PM) in order to contact you about all of the exciting events coming up!
- Please ensure your child has a book bag in school each day.
- Please see Mrs Channing if you are unable to access Tapestry.

### Christmas Donations

Soon Daisy class will be transformed into a Christmas grotto and we would love some donations to help us craft! Please could you donate anything Christmassy for us to use; pom poms, feathers, gems, ribbon, stickers, lolly sticks, wrapping paper, googly eyes, cardboard tubes and anything more you can think of! Thank you so much for your continued support!

### Library

Next week we will begin our visits to the Fern Hill library! The children are very excited to explore the library and borrow a book. We will be visiting the library every Wednesday. Please make sure library books are in book bags on this day each week ready to be swapped for a brand new book!
