

This week's sounds:

This week we learnt 'h' for hedgehog 'b' for bee, 'f' for fish and 'ff' as in puff. We have been practising formation of letters and having a go at writing some cvc words!

Challenge: Can you write some words using the sounds you have learnt so far? Remember to listen for the sounds!

Next week:

We will be looking at the story 'Whatever Next' by Jill Murphy. We will draw story maps and use our imagination to think of our own stories. Can you tell a story at home?

Our focus this week:

We continued our Space topic this week and we looked at planets and the moon. How many planets can your child remember? What interesting facts can they share?

Why not check out the SkyView app on an ipad or search 'Google moon' to explore further?

Week ending
22/11/19

Poppy, Bluebell and
Sunflower Class

School Library slots

Thank you if you have volunteered to help with the school library slot:

Poppy - Mondays mornings

Sunflower - Thursday mornings

Bluebell - Wednesday 2.30

Every child will choose a library book to share at home. Please ensure your library book is in your child's book bag on the correct day otherwise it cannot be changed! Thank you.

Maths

This week we have learnt all about the number 7! We have looked at money, dice, number bonds to 7 and 1 more and 1 less.

Ask your child if they can remember any number 7 facts. We would love to see their ideas on Tapestry!

Christmas Concert:

We will start to learn our Christmas songs ready for our concert on **10th December**. On the morning of the concert children need to come dressed in a christmas outfit. This can be red or green clothes, a christmas jumper or a christmas dress. Please do not include large headwear as other parents may not be able to see their children!

Thank you for reading with your children at home, they are all doing really well. Please ensure you **record** in the diaries when you read with your child.
