

Year Two

Dear Parents / Carers,

Next week we will be introducing our next core – The Journey Home by Frann Preston- Gannon. The following week, the children will be producing an information text on Polar Bears. Whilst we will provide some research information, please encourage your child to either visit the local library or look at websites to collate additional information on Polar Bears. Please bring these in to class for next week.

English

We are very proud of the children this week with their amazing descriptive writing. They included adjectives, conjunctions and similes in their versions of the Lost and Found story and the presentation and handwriting was excellent. Well done to all.

Maths

In Maths this week we have been completing our work on money by combining amounts and finding change from amounts up to £1. Next week we will moving to multiplication and division and looking at group and sharing. Please help you child by practicing counting in 2s, 5s and 10s.

Topic

In Topic this week we have been learning about Captain Scott and talking about his journeys.

Notices

The children all looked amazing in yellow outfits last Friday for Children in Need - thank you for all the money raised to support the different causes.

Thank you to all the Clover Class parents who were able to attend the assembly. We were very proud of the children.
