

Year 3

Dear Parents/Carers,

We have had another busy and successful week in Year 3.

In English this week, we have continued our work on the book 'Oliver and The Seawigs' by Philip Reeve and Sarah McIntyre. We have continued to immerse the children in the text. We have looked at verbs and how they can change from the past to the present tense. We have also created our own island based on islands in the book, ready to complete a piece of non-fiction writing next week.

In Maths, we have continued formal column methods by adding and subtracting with exchanging. We have been continuing to work on fluency through a range of questions including missing numbers. The children have also had more opportunities at problem solving.

In DT this week we have looked at a variety of different purses and have begun to think about our own design ready to make in the upcoming weeks.

Year Three Team 😊

Please could the children collect and bring in some resources to help make their own 'Seawig' next week. Items such as corks, pasta, small yoghurt pots, Oxo cube boxes, ribbon and buttons would all be fantastic. Nothing bigger than a small yoghurt pot please.

Can the children also bring in one button of their choice to sew onto their handmade purse for DT.

Reminders/Announcements

Rowan class will now be tested on spelling on a Friday with immediate effect.

Thank you for your continued support with helping your child to learn their spellings.
