

## Year Two

Dear Parents and Carers,

We have had a great week in Year 2 getting ready for our Winter concert and are looking forward to our performance next Thursday 12<sup>th</sup> December at 9.15am. Please remember all children need to come dressed in their clothes for the day. The children will also enjoy Christmas Lunch on this day in school.

### English

We have been continuing to focus on The Journey Home and have also been learning about non-fiction texts. This week we have been looking at the features of this genre and have been writing some fabulous facts sheets about polar bears.

### Maths

We started this week by looking at arrays as a way of showing multiplication. Finally we did some problem solving around the 5 and 10 times tables.

### Topic

As part of our topic and chosen book, we have been discussing endangered animals and what we can do to help. In votes for schools this week we looked at 'Are disabilities still misunderstood?'

## Notices

It is now getting much colder, please ensure your child brings a coat every day.

Thank you to all the parents who helped on the trip to the Cornerstone Hub. The children really enjoyed the experience.

Thank you for all your support in raising money for the Year 2 cake sale. We are in the process of arranging a special workshop for the children in the summer term.

Next week we will be making the vehicles in D.T. We would appreciate many small items e.g. yoghurt pots, bottle lids etc.

**Children's books have gone home. Please return them on Monday.**

### Deputy Head Teacher's Award
