

## Year 3

Dear Parents and Carers,

We have had another busy and successful week in Year 3.

In English, we started our non-fiction writing about our islands, thinking about its location, appearance and sea-wig. The quality of our writing has improved as we have been including descriptive language and well-thought out verbs in each paragraph.

We have finished our formal column method lessons in Maths and moved onto pattern spotting and estimating. We found estimating quite challenging so any practice at home would really help our learning. Once again, the children have had many opportunities to develop their reasoning and problem-solving skills.

On Thursday afternoon, we were invited to watch the finals of Fern Speak which was very exciting. We hope it has encouraged some children to take part in it next year.

There is going to be a lot of exciting things happening over the next couple of weeks before we break up for the Christmas holidays!

We hope you have a lovely weekend,

Year Three Team ☺

We would like the children to bring in one button of their choice to sew onto their handmade purse for DT.
