

Number of the Week!

Our number of the week this week was 'Number 4'. We explored the number and thought of lots of things that have 4! We had a go of writing the number 4 and finding a group of 4! Check out our ever changing 'Number of the Week' display next to the cloakroom.

Christmas Preparation

We have enjoyed an action packed few weeks of Christmas preparation! We have learnt many festive songs, made decorations, festive pictures and christmas crafts. We have even worked together to create a magical grotto and decorate Christmas trees! Daisy Class is a glow of sparkles, glitter and tinsel!

Christmas Party

The two classes joined together fantastically as they celebrated as one big bundle of Amazing Daisies for their Christmas Party. It was so lovely to see them all sharing food, playing games and having so much fun together! They were a fantastic audience for the Froggle magician too with plenty of laughter and excitement! We were so proud of the Amazing Daisies!

Teddy Tennis

Every Friday during this half term we have been lucky enough to have Teddy Tennis come and play tennis games with us. This week was our last session and we have had so much fun learning tennis skills with the fantastic Teddy Tennis bears!

Christmas Concert!

Wow! We were so incredibly proud of Daisy Class for their brave singing at their concert! There were so many grown ups watching and the children rose to the occasion, singing, smiling and of course jingling their jingle bells! Festive photos have been taken by our school photographer and these will be available for purchase.

Tapestry

Take a look on Tapestry to see all of the exciting things that your child has been doing in Daisy Class. Take a look this week to see pictures from our festive celebrations. You should receive a weekly email notifying you of new observations added. Don't forget you can add your own on to Tapestry too! If you are having any trouble accessing Tapestry please speak to Mrs Channing.
