

## Year Two

---

Dear Parents and Carers

We are so proud of each and every one of Year 2 for collaborating and producing such a fabulous performance for their Winter Concert this week! We hope you enjoyed the show!

---

### English

This week we have talked about the plight of endangered animals. Next week we will be writing our letters to our Prime Minister using persuasive writing techniques and high quality vocabulary.

---

### Maths

We have finished the term on multiplication looking at the two and five times table. Next week we will be focusing on the ten times table.

---

### Topic

In Science we have finished our unit of work on living things and habitats and this week children designed their own animal looking at adaptation.

We completed our topic on D.T. by creating our own moving vehicles. We hope the children enjoy using them at home.

In History we have been writing our diary entry of Captain Scott.
