

## Year 4

---

Dear Parents & Carers,

In English, we continued immersing ourselves in 'Secrets of a Sun King' and have started writing our own newspaper articles. The children have loved reporting on the mysterious disappearance of Professor Hanawati!

This week in Maths, we have been focusing on different mental methods for multiplication including partitioning and factor pairs.

We have started our exciting new topic of 'Sound' in Science and have investigated what sound is, using drums and rice. Ask your children what they have learned!

Please could you remember to hand in your consent forms for our upcoming trip to Tate Britain. All classes are still waiting for the remaining forms.

Have a lovely weekend!

Year 4 Team ☺

### **Date Reminders**

**Week Commencing 20<sup>th</sup>  
January**

Arts Week

**Tuesday 28<sup>th</sup> January**

Tate Britain

---

### **Homework Reminder**

Please complete Mathletics. Please also continue practising times tables. The children need to know all tables up to 12 x 12.

All children should have received their spellings to learn for Spring Term. If they do not have a copy, ask the class teacher.

Reading – polite reminder. Please could parents and carers sign Reading Records to confirm that you have checked what your child is reading and that you have heard them read at least once. Thanks
