

## Year 5

Dear Parents & Carers,

We have been working this week on multiplication in Maths. Many children are now very confident multiplying 2, 3 and even 4 digits by 2 digits. It would be helpful if you would encourage your child to keep practising this at home. Let them show you the method to use!

In English, we have begun to look at a couple of Greek myths, including the Wooden Horse of Troy. Why not visit your local library and find some more to share?

Next week in Arts Week and we are looking forward to creating some interesting artwork using Maths, which is the whole school theme this year.

Please note that, for every class, times tables and spellings will now be tested on a Friday.

Year 5 Team ☺

### Homework Reminder

You can access our *Year 5 Home Learning Grid* on the year group pages of the school website here:

<https://www.fernhill.kingston.sch.uk/year5>

Please note that we can provide a paper copy, if you request it.

#### Spelling

Spelling lists have been sent out for the spring term and dates clearly indicate the letter pattern of the week. The children will be tested on the list of 'etymology' words next week.

**Please ensure your child continues to read daily and learn / revise their times tables.**
