

### Donations please

We have lots of sniffly noses and we are running very low on our tissue supply. Any donations of boxed tissues would be hugely appreciated! We would also be extremely grateful for any donations of childrens socks and tights that you no longer need. Please also return any socks or tights that your child has been sent home in. Thank you for your continued support.

### Arts Week

Our theme this week was '**The Art of Mathematics!**' We explored a combination of maths and art skills and looked at the book '**The Dot**' by Peter H Reynolds. We explored Kandinsky and created lots of fantastic circular artwork and discovered colour mixing too. We also created great shape pictures in the style of Mondrian. Make sure you come in and see the wonderful art on display 6th and 7th February from 3.30-5pm.

### Yoga

Each week during our Monday PE session Daisy AM and PM have enjoyed learning to do Yoga! We have loved learning new moves and doing lots of stretches and balances in the hall! We have all shown fantastic resilience with this!

Daisy Class

### Sound of the week

Our new sound of the week this week was '**s**'! We had so much fun thinking of different things starting with the '**s**' sound. We used our looking eyes and listening ears to explore Daisy class and made playdough **s**nakes and **s**ausages! We played the **S**illy **S**oup game (a fun singing sound game) and thought of all the things that begin with **S** to go in our silly soup!

### National Storytelling Week

National Storytelling Week will be taking place from the 1st - 8th February. If you would be interested in coming in to read a story with the children in Daisy Class during the w/b 3rd February please see the Daisy Team. have any questions.

### Self registration

Your children have taken to the new self registration activity beautifully and we are really proud of them! We have noticed how much more confidence they show when writing their names and they are even trying new letters and sounds! Keep on going and never give up!
